Letter of intent

Dear Mr Guldbrand Skjönberg,

This letter is to notify the WHO CCCSP of Nøtterøy District Council's intent to participate in the Safe Communities Program. Nøtterøy District Council is committed to utilizing collaborative approaches to promote its safety and health initiatives, which will help to ensure that individuals are protected from harm in all aspects of their lives, whether they are at work or away from work. We see tremendous potential in the Safe Communities Program's ability to enhance our existing initiatives and help promote our existing commitments in this area.

Nøtterøy District Council seeks to improve not only the safety and the quality of life of its elected representatives and its employees, but also that of the citizens of our district. We believe that the Safe Communities Program will support the District Council in the creation of a cohesive effort for identifying its areas of potential risk and also determining which programs are currently in place or would need to be in place to appropriately address these risks.

Nøtterøy District Council is very pleased to be a part of the Safe Communities Program and is aware that the formation of a steering committee that adequately represents its community stakeholders will be necessary. If additional information is necessary, please contact our Director of Health and Social Services Mrs Karen Kaasa karen.kaasa@notteroy.kommune.no (mobil 91628034).

Our billing address is: Nøtterøy kommune, c/o Fakturamottak, Postboks 4684 Vika, 8608 Mo I Rana, Norway.

Yours sincerely
