Dr Carolyn Coggan  
Director  
Safe Communities Foundation New Zealand  
Box 331399  
Takapuna 0740  
North Shore, New Zealand

Dear Dr Coggan

I am writing to you, to advise of The New Rouse Hill's intent to lodge an application for accreditation as a member of the International Safe Communities Network.

We share an ethical commitment to safety; work in partnership and collaboration with community stakeholders; and have a shared passion for creating safe and sustainable places for people to live, work and play.

We believe that applying for International Safe Communities accreditation is an important step in consolidating the critical community partnerships and collaborations that assist to deliver essential injury prevention and community safety initiatives within The New Rouse Hill.

We would be very pleased if you would agree to undertake the accreditation of our communities and would also value your guidance and support throughout the process.

Our application is being coordinated by Community Safety Consultant, Ms Gordana Blazevic, and she can be contacted on 0412543 813 or [gordana@blazeconsulting.com.au](mailto:gordana@blazeconsulting.com.au)

Regards

Daniel Motbey  
President  
Our Rouse Neighbourhood Committee
