SAFE COMMUNITY WEEKLY NEWS

NO. 2
January 2002

***** LETTER FROM THE EDITOR*****

Welcome to the Second issue of Safe Community Weekly News, the electronic SC Weekly News will be send from Harstad on behalf of Safe Communities Network.

WHAT IS NEW AT SAFE COMMUNITIES?

In this issue:

- **COURSE:** 1st Injury Surveillance, internet-based learning.
- **PHOTOS:** People and Environment in Porto Alegre, Brazil

Planning of the first injury surveillance course ever for internet-based learning

On the 10th Jan 2002 the faculty met for the first time to plan this course which will be offered for anyone involved or interested in injury surveillance - registration as well as classification issues.

If You are more interested seek information on www.ceps.nu and tick the english flag and after that the courses box. After reading the information fill in the form and send it.

On the photos You can see two of the responsible Course leaders: Epidemiologist Lars-Gunnar Hörte, Centre for Safety Promotion, Stockholm County and Dr Lars Berg at the Swedish National Board of Health and welfare - responsible for classification issues.

People and Environment in Porto Alegre, Brazil

These are some photos from Favelas, which constitutes about 20% of Porto Alegre. There are exposures to many injury risks to work with in future Safe Community work.
