*****NOTES TO CONTRIBUTORS*****

The editors must hear from you so that Safe Community Weekly News can effectively serve as a medium of communication for Safe Community Network members, and those whom are interested in injury prevention and Community safety promotion.

We are soliciting contributions from all members who have information relevant to the Safe Community Network. There are a number of specific items we are seeking:

- Information on new designated communities, affiliated centres and their activities;
- Announcement of conferences or seminars in Safe community, injury prevention and related subjects;
- Calls for papers by journals and book editors;
- Announcements of new appointments and promotions;
- Articles describing activities or new initiatives at your community, institution, Centre or firm (perhaps describing your departmental or university programs in safety promotion, discussing new practices, methods, and tools used in Injury prevention and community safety promotion, describing new governmental policy initiatives / programs, and so forth).

Please send your activities, programs and reports via post/ e-mail to the editor: Yousif Rahim yousif.rahim@harstad.kommune.no,
