WHO Nordic Safe Community Seminar,
10th–11th of April 2003, Horsens, Denmark

With this seminar the Municipalities of Horsens and Nordborg wish to :

- mediate new knowledge on the work on developing Safe Communities
- create awareness for new aspects within the work on injury and accident prevention
- provide opportunities for cross border experience exchange.

The seminar addresses politicians and professionals, who focus on prevention of injuries and accidents and who want to promote safe and secure local communities in the Nordic countries.

Please download programme, invitation and registration form from the website:
