

CV

Mable Tatiana Nakitto

I have a Bachelor's and Master's degree in Information Science and a Certificate in Project Management and Planning. I have undergone trainings in Violence and Injury prevention, Traffic Injury Prevention, Safe Communities Concepts, Research Methodology, Child Survival-Reaching the Target, Authorship development and writing skills.

I have an 8-year work experience with 6 years working for the Injury Control Center- Uganda (ICCU), and specifically on Child related programs on Violence, Injury prevention, and Safety promotion. I am the editor for the "Injury Control News" Newsletter. I am a member of Injury Prevention Initiative For Africa (IPIFA).
